YOU CAN HELP US by not bringing or sending gum, food, candy, toy weapons, makeup, silly putty/string, violent comic books, pop culture magazines, and any electronic devices including cell phones. Omitting such things encourages appreciation of our simple, wholesome food and culture at camp.

PACKAGES are fun to receive at camp for the camper who receives them. We suggest **NO MORE** than one care package per week.

Items such as books, games, or stuffed animals are welcome. You may bring some letters/packages with you to drop off numbered with the order in which to give them to your camper to avoid initial USPS delays.

FOOTLOCKERS, trunks, or other storage containers should be less than 15 inches tall, so they will fit under the bed. Any large container less than 15" tall will work fine! Hard sided containers tend to work best. If you are flying, a hard sided suitcase that can easily slide under the bed will work.

STATE HEALTH REGULATIONS prohibit the use of sleeping bag in place of sheets and bedding at camp. A sleeping bag that can zip all the way open can replace one blanket but cannot replace all bedding.
